

SECURITY BREACH

HACKING DETECTED

## Cyber Security Essentials (vLearn Programme)

CONNECTION TECHNOLOGY 裝備未來  
**FUTURE SKILLS**

**vLearn**  
HKPC Virtual Learning

In today's digital age, cyber security has become a crucial aspect of our lives. With the increasing dependence on technology, the risk of cyber attacks has also grown exponentially.

From workplace assets to personal devices, every aspect of our lives is vulnerable to cyber threats. To combat this, it is essential to understand the basics of cyber security.

This 1 hour course is designed to equip individuals with the knowledge and skills to protect themselves and their organizations from cyber attacks.

Join us to learn how to safeguard your digital assets and stay ahead of the ever-evolving cyber threats.

Programme Code	10015623-07
Programme Duration	68 minutes divided into several learning sessions (Valid for 1 Year)
Platform	HKPC Academy vLearn
Medium	Cantonese with English and Chinese subtitles
Course Fee	HK\$380

### Learning Outcome

Upon completion of this course, you will :

- Understand the latest security news and updates in the field of cyber security
- Have knowledge of internet security and learn how to protect digital assets
- Be aware of phishing and learn how to identify and prevent such attacks
- Understand the corresponding preventive measures to mitigate cyber threats

## Course Outline

- Latest Cyber Security Trends
- Cyber Security in Financial Institutions and Banking
- Internet Security
- Phishing Awareness
- Scams and Fraud Prevention
- Corresponding Preventive Measures

## Trainer Profile – Peter CHOI

- Former Chairman of British Computer Society (HK Section)
- Certified Information Systems Auditor
- Certified Information Systems Security Professional
- Project Management Professional

Peter has strong training and practical project experience in digitalization. He is currently the owner of several start-ups. He helped one of the start-ups to go digital which later featured in the Wall Street Journal.

He has over 10 years of experience in offering customised training for the Government and private companies. With attractive presentation skills, examples sharing and practical hands-on exercises, he usually receives good client comments and participants' high evaluation scores.
